

VOLUNTEER WITH HEART

Heart Math Tutoring is the link between volunteers and elementary students who need help.

Structure

- > Schools nominate students in grades 1-5 who are below grade level in math.
- > Heart assesses students to determine individual gaps and then pairs them with **weekly tutors** during the school day, **targeted lessons**, and **staff support**.

Curriculum

On-Site Support

School Partnership

“Heart is the best use of tutors I have ever seen.”

*Kaneka Turner,
Elementary Math
Specialist at CMS*

Results

- > **98%** of students to date have **met program growth goals**, set with guidance from elementary math specialists at UNC Charlotte and CMS.
- > **89%** of teachers report **increased student confidence/enthusiasm** toward math.

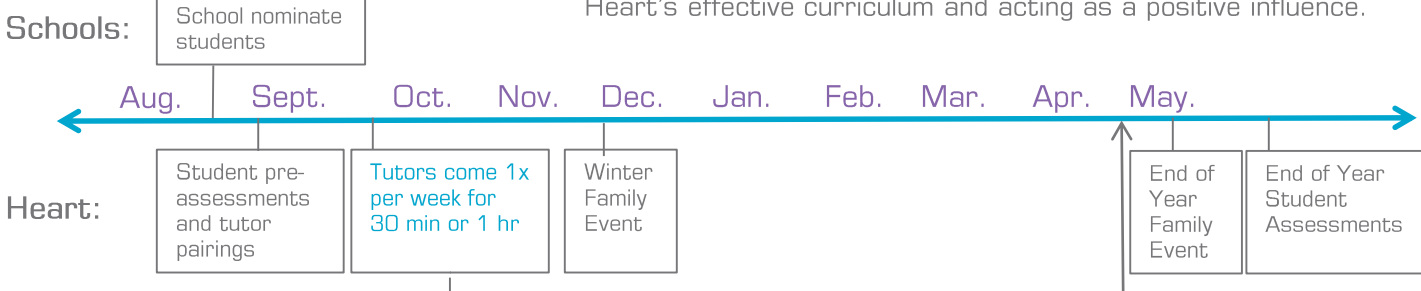

“Seeing their confidence grow throughout the year was my favorite part. Both students were always so excited and proud to advance to a new notebook!”

*Heart Tutor at Barringer
Academic Center*

- > **100%** of tutors rated the experience positive!
- > **98%** would recommend the program to others.
- > **96%** believe they had a positive influence.

Volunteers

- > Heart volunteers provide one-on-one tutoring for 30 minutes or 1 hour each week from late September to early May, delivering Heart's effective curriculum and acting as a positive influence.
