

Heart Math Tutoring Releases 2022 Annual Report

The 2022 Annual Report highlights student results, volunteer impact, and more from the 2021/22 school year.

Charlotte, N.C. – October 5, 2022

Heart Math Tutoring – a local nonprofit organization committed to helping students in Charlotte elementary schools develop a strong foundation in math and enthusiasm for academics – has released its [2022 Annual Report](#), highlighting student results, volunteer impact, and more from the 2021/22 school year.

In the 2021/22 school year, support from donors and volunteers provided 935 elementary students with free math support through [Heart Math Tutoring](#) (HMT). Heart Math Tutoring grew to serve 24 Charlotte elementary schools, recruiting 1,135 volunteer tutors who worked one-on-one with a student (or two!) each week. 97% of those students showed growth between their pre- and post-assessments, and 90% of teachers reported that they saw an increase in their HMT students' confidence.

"Heart [Math] Tutoring was essential in helping my son get to where he needs to be to meet grade level expectations! I am just so thankful for this program!" – Parent of a 2021/22 Heart Math Tutoring Student at Endhaven Elementary School

Heart Math Tutoring

Heart Math Tutoring is a Charlotte-based nonprofit with a mission to ensure that all elementary students develop the strong foundation in math and enthusiasm for academics needed for long-term success, by helping schools use volunteers as tutors. Community members commit one hour per week to deliver an effective, hands-on curriculum through one-on-one tutoring sessions during the school day in CMS elementary schools. Heart focuses its support on students who lack resources to access private tutoring. For more information, visit <http://heartmathtutoring.org>.
