

## Heart Math Tutoring Kicks Off Annual Volunteer Recruitment Campaign

### CHARLOTTE, N.C. – July 24, 2023

Heart Math Tutoring, a local nonprofit organization committed to helping students in Charlotte elementary schools develop a strong foundation in math and enthusiasm for academics, is excited to officially begin recruiting and training [1,500 volunteer tutors](#) to partner with 1,300 students in the 2023/24 school year!

Heart tutors will support students at 26 Charlotte-area elementary schools with building foundational math skills and gaining the confidence needed for long-term academic success. With just 1 hour per week from October to April, each volunteer can make an impact! Heart provides everything tutors need – informative training, a fun, hands-on curriculum, and an on-site Program Coordinator for support.

In the 2022/23 school year, 98% of Heart's 1,241 tutors rated their volunteer experience as positive. Join our network of trained volunteer tutors and make a positive impact on students in your community by [signing up today!](#)

### Volunteering with Heart Math Tutoring

Heart volunteers commit to weekly tutoring sessions that last either 30 minutes or one hour, and work with the same student(s) throughout the year. We hope our Charlotte-based tutors will join us in-person each week; however, four of our partner schools will utilize Heart's virtual tutoring model for out-of-state volunteers and those who are not able to tutor in person. [View HMT's website to find the school location and tutoring time that work best for your schedule!](#)

Already signed up to tutor? Please help Heart spread the word about volunteering! See Heart's "[Recruit a Tutor](#)" page for ideas on how to encourage your friends and colleagues to become a tutor. For employers and civic groups, our team would be happy to host an information session for interested employees and members. Please contact [rachel.allman@heartmathtutoring.org](mailto:rachel.allman@heartmathtutoring.org) for more information!

In addition to our Charlotte program, HMT has recently expanded to offer tutoring in Charleston, SC and Winston-Salem, NC. Interested tutors in these cities can select their preferred school and tutoring time on the [Charleston sign-up form](#) or the [Winston-Salem sign-up form!](#)

*"Volunteering with Heart Math Tutoring has been a great experience. You can really see how the program benefits each child in not only their math abilities but also increases their confidence." -2022/23 Heart Tutor at Blythe Elementary*

### About Heart Math Tutoring

Heart Math Tutoring is a Charlotte-based nonprofit with a mission to ensure that all elementary students develop the strong foundation in math and enthusiasm for academics needed for long-term success, by

helping schools use volunteers as tutors. Community members commit one hour per week to deliver an effective, hands-on curriculum through one-on-one tutoring sessions during the school day in Charlotte, Winston-Salem, and Charleston elementary schools. Heart focuses its support on students who lack resources to access private tutoring. For more information, visit <http://heartmathtutoring.org>.
