The Multipliers Circle

Investing in students. Multiplying Impact.

AT HEART MATH TUTORING, WE BELIEVE EVERY CHILD DESERVES THE OPPORTUNITY TO SUCCEED IN MATH AND IN LIFE. THE MULTIPLIERS CIRCLE RECOGNIZES DONORS WHOSE GENEROSITY OF $10,000 OR MORE MAKES THIS VISION POSSIBLE.

Your Impact

A gift at this level provides a full year of tutoring for five students, ensuring they build the skills and confidence they need to thrive in school.

But your influence doesn't stop there. As a member of the Multipliers Circle, you are a champion for the ~1,500 students Heart serves each year across the Carolinas - helping expand access to high-quality math tutoring, recruit and engage thousands of dedicated volunteers, and bring additional support to under-resourced schools.

Why Multipliers?

Because your investment multiplies:

- For Students: Unlocking confidence, skills, and brighter futures.
- For Classrooms: Supporting teachers and strengthening school communities.
- For the Carolinas: Building a more informed, engaged, and connected community.

Recognition & Engagement

As a member of the Multipliers Circle, you will receive:

- Insider updates on Heart's program from senior staff
- Impact stories from the students you support
- Invitations to exclusive gatherings with Heart's leadership
- Recognition as a leading partner in advancing student success

Contact glenda.mauck@heartmathtutoring.org (Charlotte and Expansion), cydney.clifton@heartmathtutoring.org (Winston-Salem), or madison.anderson@heartmathtutoring.org (Charleston) for more information on how your support will make a difference in the lives of our community's highest-need students.
